Historic Photo Exhibit Opens at the WDM North Battleford
Adrian Paton Collection Travelling Exhibit

It's been a labour of love for Arcola resident Adrian Paton. After collecting nearly 8000 photos over a period of more than 20 years, his work is featured in a travelling exhibit, on display at the Western Development Museum - North Battleford until January 28, 2018.

The display, developed through a partnership with the Saskatchewan History & Folklore Society (SHFS) and the University of Saskatchewan, features selected photos from the collection along with information designed to inspire people to reflect on the past.

The Saskatchewan History & Folklore Society (SHFS) is a non-profit organization that has been helping the people of Saskatchewan to recognize, share, celebrate, and document their living history and folklore since 1957. SHFS is supported by the Saskatchewan Lotteries Trust System through SaskCulture.
