**THOSE WERE THE DAYS AT THE WDM NORTH BATTLEFORD  
AUGUST 12 & 13, 2017**

Summer wouldn't be the same without a stroll down memory lane at **Those Were The Days**. On August 12 & 13, discover Saskatchewan in the 1920s. Kickstart both days with flapjacks (free with admission) from 9 - 10:30 am.

**Those Were the Days** offers something for the whole family! Savour the sweet smell of threshed oats in the field as the threshers go about their work. Watch and feel the powerful vintage steam tractors at the daily Parade of Power, where vintage farm machines huff and puff their way around the Heritage Village. Take in the car rodeo and tractor driving demonstration through an obstacle course. Ride in a vintage 1925 McLaughlin, 1929 Buick or a 1928 firetruck. Or enjoy the bump and jostle of a horsedrawn wagon ride. Visit with the friendly volunteers around the Heritage Village. Get your toes tapping with great Saskatchewan-based bands.

For the youngsters there will be a petting zoo with everything from geese to a llama! Learn about agility and obedience and get tips on how to train your dog at the dog show. Have your face painted, play and jump in the jungle gyms, grab a balloon or get a temporary tattoo. Don't miss the scavenger hunt and join in the sack and three-legged races! Roll up your sleeves and hammer some nails or race against the clock to twist a nut onto a bolt at the Pioneer Competitions.

The Battle of the BBQs sends the smells of great food on the grill wafting across the Heritage Village. Try your hand at the chili cooking contest – there is so much to see and do at **Those Were the Days!**
