**WDM CELEBRATES NATIONAL VOLUNTEER WEEK
April 10-16, 2016**

Volunteers are the roots of strong communities

The WDM has just released its statistics for the volunteer hours that have been donated by our very dedicated volunteer core in 2015. 56,561 hours of volunteer service were donated to the four locations in the province - Moose Jaw, North Battleford, Saskatoon, Yorkton and the Curatorial Centre, by volunteers ranging in age up to 95.

Volunteers are an integral work force that helps deliver programs to our visitors. They are involved in many things from vintage aircraft restoration, quilting, telegraphing, rope making, tour guides, steam traction engine operation, restoration projects and helping wherever necessary. These dedicated individuals bring the Museum to life with their energy, years of experience and stories.

We thank all our volunteers for their incredible commitment in helping make us a living and vibrant Museum!
