FOR IMMEDIATE RELEASE

February 13, 2017

HERITAGE DAY 2017
“MY CANADA!”

Heritage Day, proclaimed annually in February throughout the nation by *The National Trust for Canada*, celebrates the architectural heritage and historic places of Canada. The WDM, City of Yorkton Archives, and members of the Yorkton Chapter of the Saskatchewan Genealogy Society are pleased to again work together to celebrate the event on Sunday, February 19 from 2:00 - 5:00 pm.

For 2017, *The National Trust for Canada* has chosen the theme of *My Canada!* Our country is rich in heritage, both within its landmarks and through the events which have shaped our past. This year’s guest speakers include Elizabeth Scott, WDM Director of Research, who will talk about work behind the scenes in curating a Canada 150 exhibit in Saskatchewan; and Terri Lefebvre Prince, City of Yorkton Historian, who will speak on Canada from pre-Confederation through to the settlement of the West and the founding of Yorkton.

In addition, members of the Yorkton Chapter of the Saskatchewan Genealogy Society will be in attendance to share information on tracing family histories and answer questions relating to genealogical research.

Everyone is welcome to celebrate **Heritage Day** at the Western Development Museum on Sunday, February 19. Regular Museum admission applies. Refreshments will be provided.
