Calling all Antique Automobile Enthusiasts!

The Yorkton Antique Auto Association, along with the Yorkton Threshermen's Club and Western Development Museum, are excited to host the **67th Threshermen's Show & Seniors' Festival** on **August 2 & 3, 2025**. We invite you to participate as an exhibitor.

As an exhibitor at the **Threshermen's Show & Seniors' Festival**, you will have the opportunity to:

- Showcase your antique automobile(s) and meet other antique auto enthusiasts.
- Participate in our Parade of Power taking place each day at 4:30 pm. Information from your registration form will be used by commentators during the parade. Be sure to include details about any restoration work, where you acquired the vehicle, or other pertinent facts that make your entry unique. The Parade is weather dependent.

Please read the attached Rules for Safe Operation of Equipment which applies to events at all Western Development Museum locations. Thank you for your assistance and support.

Event Details:

- All vehicles must be in place on the grounds prior to 11:00 am each day. [Vehicles may arrive either the previous day or the morning of the event].
- Upon arrival, gate attendants will direct Antique Automobile exhibitors to the front field area where exhibitors must check in at the registration table.
- For the safety of the public and exhibitors, vehicles can only be removed from the grounds once the gates are closed for the day at 5:00 pm (after the parade).
- It is mandatory that any and all operators of vehicles attend one Safety Briefing session each day (approximately 15 minutes). These are scheduled at 10:00 am and 12:00 pm. Each operator attending will receive a coloured ribbon at the end of the session which must be worn and visible while operating vehicles.
