

Train Conductor Hat

You will need:

Scissors

Tape

Stapler

Markers or pencil crayons to decorate

1. Cut out both sections of the pattern.
2. Cut slits along the top of the bill on the dotted lines.
3. Fold tabs up so that it can attach to the inside of the top of the hat.
4. Place the top section of the hat on top of the bill. The bill's folded tabs should be placed along the back of the top section.
5. Tape the center tab on the back first. (It aligns with the black dot on the front.)
6. Tape both end tabs on back and then finish taping the remaining tabs.
7. Staple one strip of paper on the left side. Staple another strip of paper on the right side.
8. Fit the hat on your head and tape where the strips meet in the middle.
