CELL PHONE REIMBURSEMENT FORM

Cell phone reimbursements are issued to employees who are required to carry a cell phone for their work at the WDM but opt to use their own personal device. Employees who have already been provided with a corporate cell phone do not qualify for reimbursement. Approval of cell phone reimbursement is at the discretion of the employee's Direct Supervisor, Manager or CEO as per the WDM Spending Limits Policy and may be canceled at any time. Cell phone reimbursement is considered a taxable benefit as per the Canada Revenue Agency and as such the benefit will be included on employee T4 Slips. The WDM is not responsible for personal devices used for work that are lost, stolen or damaged.

Note: The Director of Administration has final approval for Cell Phone Reimbursement.

Reimbursement is \$50/month and will be pro-rated over 26 pay periods (\$23.08 per pay period).
