

AUTHORIZED TRADING OFFICERS POLICY

Approved by Board: Sept. 18, 2015

AUTHORIZED TRADING OFFICERS POLICY

The WDM has created a gifting option for the transfer of publicly traded securities from a donor's brokerage account to the brokerage account held by the WDM as part of its fundraising program.

The WDM and its Authorized Trading Officers will not engage in stock market speculation. Once securities are transferred to the Museum by a donor, those securities will be disposed immediately and the proceeds deposited directly to the WDM's BMO Investorline account.
