Coverage provided under this policy will extend to eligible persons of any company becoming an affiliate of, a subsidiary of, controlled by, partially or fully owned by the Policyholder during the term of this policy, provided written notice is given to the Insurer or its authorized agent, with all underwriting information pertaining to the exposure of the company, within thirty (30) days of the effective date of coverage or as soon as it is reasonably possible thereafter.

If any such addition to this policy constitutes a material change in the risk assumed herein, the Insurer reserves the right to adjust the premium rate accordingly.

Aircraft Coverage

Insurance provided under this policy includes Injury sustained while and in consequence of:

- (a) riding as a passenger, and not as a pilot, operator or member of the crew in or on any aircraft having a current and valid certificate of airworthiness and piloted by a person who then holds a current and valid pilot's license of a rating authorizing him to pilot such aircraft.*

Exposure And Disappearance

If by reason of an accident covered by this policy an Insured Person is unavoidably exposed to the elements and as the result of such exposure suffers a loss for which indemnity is otherwise payable hereunder, such loss will be covered under the terms of this policy.

If the Insured Person is not found within one (1) year after the date of the disappearance, sinking or wrecking of the conveyance in which the Insured Person was riding at the time of the accident and under such circumstances as would otherwise be covered hereunder, it will be presumed the Insured Person suffered loss of life resulting from bodily injury caused by an accident at the time of such disappearance, sinking or wrecking.

Aggregate Limit Of Indemnity

The Limit of Indemnity for which the Insurer shall be liable for all losses arising out of any one (1) accident is two hundred and fifty thousand dollars (\$250,000). In the event said Limit of Indemnity for any one (1) accident is insufficient to pay the full amount of indemnity for each Insured Person then the amount payable for each Insured Person shall be in the proportion that the Limit of Indemnity for any one (1) accident bears to the total amount of insurance that would have been payable except for such Limit of Indemnity.

Beneficiary

Indemnity payable in the event of the loss of life of an Insured Person is payable to the Estate of the Insured Person. All other indemnities payable are payable to the Insured Person.

General Provisions

Written notice of Injury on which claim may be based must be given to the Insurer within thirty (30) days after the date of the accident causing such Injury. Such notice given by or on behalf of the Insured Person or beneficiary, as the case may be, to the Insurer at its Head Office, 1075 Bay Street, Toronto, Ontario M5S 2W5 or to any Regional Office of the Insurer or to any authorized agent of the Insurer, with particulars sufficient to identify the Insured Person,

will be deemed to be notice to the Insurer. Failure to give notice within the time provided in this policy will not invalidate any claim, if it is shown not to have been reasonably possible to give such notice during such time and that notice was given as soon as was reasonably possible, but in no event later than one (1) year after the date of the accident.

The Insurer, upon receipt of such notice, will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not so furnished within fifteen (15) days after the receipt of such notice, the claimant will be deemed to have complied with the requirements of this policy as to proof of such loss upon submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, character and extent of the loss for which claim is made.

In the case of claim for loss of time from Disability, written proof of such loss must be furnished to the Insurer within ninety (90) days after the commencement of the period for which the Insurer is liable. Subsequent written proofs of the continuance of such Disability must be furnished to the Insurer at such intervals as the Insurer may reasonably require. In the case of claim for any other loss, written proof of such loss must be furnished to the Insurer within ninety (90) days after the date of such loss. Failure to furnish such proof within such time will not invalidate nor reduce any claim, if it is shown not to have been reasonably possible to furnish such proof during such time and that such proof was furnished as soon as was reasonably possible, but in no event later than one (1) year after the date of the accident.

The Insurer will have the right and opportunity to examine the person of the Insured Person when and so often as it may reasonably require during the pendency of claim hereunder, and also the right and opportunity to make an autopsy in case of death where it is not forbidden by law.

All indemnities provided in this policy for loss other than that of time on account of Disability will be paid immediately after receipt of due proof.

All moneys payable under this policy are payable in the lawful money of Canada.

Upon request of the Insured Person and subject to due proof of loss, all of the accrued indemnity for loss of time on account of Disability will be paid at the expiration of each four (4) weeks during the continuance of the period for which the Insurer is liable, and any balance remaining unpaid at the termination of such period will be paid immediately upon receipt of due proof.

This policy includes the endorsements and attached papers, if any, and contains the entire contract of insurance. No statement made by the applicant for

insurance will void the insurance or reduce benefits hereunder unless contained in a written application signed by the applicant. No agent has authority to change this policy or to waive any of its provisions. No change in this policy will be valid unless approved by an officer of the Insurer and such approval be endorsed hereon or attached hereto.

All statements contained in any such application for insurance will be deemed representations and not warranties.

Legal action will not be taken to recover benefits under this policy until sixty (60) days after proof of loss has been submitted to the Insurer. Thereafter, the claimant will be limited to a one (1) year period (three (3) years in the province of Quebec) during which legal action may be taken.

If any time limitation specified in this policy for giving notice of claim, or submitting proof of loss, or undertaking legal action is less than that permitted by law of the province in which the claimant is residing at the time of loss, then the time limitation will not be less than that provided for by provincial law.

This policy may be cancelled by the Policyholder by mailing to the Insurer written notice stating when thereafter such cancellation will be effective. This policy may be cancelled by the Insurer by mailing to the Policyholder at the address shown in this policy written notice stating when, not less than thirty (30) days thereafter, such cancellation will be effective. The mailing of such notice as aforesaid will be sufficient proof of notice and the effective date of cancellation stated in the notice will become the end of the policy period. Delivery of such written notice either by the Policyholder or by the Insurer will be equivalent to mailing.

Unless otherwise provided in the Schedule, if the Policyholder cancels, earned premiums will be computed in accordance with the customary short rate table and procedures. If the Insurer cancels, earned premiums will be computed pro rata. Premium adjustment may be made at the time cancellation is effected, and if not then made, will be made as soon as practicable after cancellation becomes effective. The Insurer's cheque or the cheque of its representative mailed or delivered as aforesaid will be sufficient tender of any refund of premium due the Policyholder.

The Insurer will be permitted to examine the Policyholder's records relating to this policy at any reasonable time, and from time to time until two (2) years after expiration of this policy or until final adjustment and settlement of all claims hereunder, whichever is the later.

IN WITNESS WHEREOF, The Citadel General Assurance Company has caused this policy to be signed by its President and Secretary; but the same will not be binding upon the Insurer unless countersigned by its duly authorized Policy Writer.
