

VOLUNTEER PROGRAM

About WDM Volunteers

Hundreds of WDM volunteers contribute thousands of hours annually. Volunteers give their time to help with school programs, events, conservation, fundraising, and so, so much more.

As a thank you for their service, the WDM offers volunteers in good standing special benefits. If you have any questions about this or anything related to volunteers, please ask your location’s Volunteer Coordinator/Engagement Assistant or contact the Volunteer Engagement Manager.

WDM Volunteer Benefits

(Updated August 2023)

IMPORTANT: To receive the benefits listed below, volunteers must show their valid WDM (not volunteer club) issued volunteer nametag.

Volunteer nametags have expiry year stickers. *If a volunteer presents an expired nametag, do not deny them entry/a discount.* Kindly mention that they should check in with their volunteer coordinator/engagement assistant to get a new sticker and proceed as usual. Discretely make note of their name and let your location’s volunteer coordinator/engagement assistant know so they can check in with the volunteer.

1. Free admission for each volunteer and one guest per visit to all four WDM exhibit locations with their valid WDM-issued volunteer nametag.

Admission Till Codes for Volunteers

NOTE: Volunteers are **only** counted as attendance via the tills if they are visiting, **not** when they are volunteering.
